

Gery is a student at King's, but he found hard to talk deeply with other people, he want a friend that have same hobbies

Wow, there is a new social APP

Gery finds that there are lots of funny character tests, He starts answer the questions,

Gery found his place in this app, He found lots of ppl like him

System just sends him a person matching, which has high similarity.

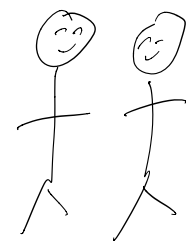

Yes! We have same interest on film!

oh, this guy knows a lot about film culture!

Gery finds this person have the same interest as him!

New Friend

Gery finds new friend!
